As a well retired person I haven't got too many years left, so would prefer not wasting what I do have.. The install naturally removes Windows Media Player (which had to be separately downloaded and installed in W7Pro N) So I downloaded and installed Microsoft-Windows-MediaFeaturePack-OB-Package_x64.. When you double click on the windows media player icon, by default, it opens the 32 bit version only.. 3 tips about Windows Media Player 64 bit Windows Media Player 64 bit is becoming the new choice among people from all over the world. e828bfe731 [Serial Number Bejeweled](#)
